

Module 2 Matching Activity

Match the stage on the left side to its description on the right side.

- | | |
|---------------------------------|---|
| 1. Target the Youth ● | ● A. Groomers will shower their target with compliments, gifts, money, etc. to appear kind |
| 2. Gain Trust and Legitimacy ● | ● B. Exploiters will start normalizing sexually explicit content in the relationship, such as images and text |
| 3. Fulfil the Youth's Needs ● | ● C. Information the exploiter gathered in the grooming process is used for manipulation |
| 4. Isolate the Youth ● | ● D. The safe people (adults and other young people) are removed from the youth's circle |
| 5. Sexualize the Relationship ● | ● E. Groomers find vulnerabilities they can use and manipulate to build a relationship with the young person |
| 6. Maintain Control ● | ● F. Exploiters create a space where the youth feels special and validated |
